Looking for sponsors for Sunday and Tuesday dinner → Dinners \$6/person x 15 people = \$90 per dinner.

We charge the program fees of \$125 which covers: housing, rides to/from work, court, probation appts., doctor visits, counseling, church events, and all other activities.

When a guy comes in, it takes an average of 3-4 weeks for them to obtain ID, SS card, & work, so they can start paying fees on their own which leaves an average cost of \$375.

On a good week we have an average of 11 men paying rent of \$125 which = \$1,375 leaving us \$550/wk., short on budget that equals \$28,860/year

We spend an average of \$155/wk. on fuel = \$675/mo. - \$8,060/yr.
